## President's Address .....

By the time this newsletter reaches you, the State Working Committee hosted by our branch would have been finished. This is another major achievement after a gap of 15 years. Our branch was in the main stream of IMA activities and one of the major pillars of IMA State Branch few years ago. This is a good sign that IMA Kollam Branch will be back in the main stream after hosting Kollamcon 2018. At the state level, TRI initiative of Ambulance and Hospital Networking has shown tremendous results. Don't forget to use Toll Free No. 9188100100 for saving the road traffic trauma victims. The State President's **Keralayathra** was a huge success, connecting doctors and 20 medical colleges across the state. Our branch has hosted the district level reception at IMA Centre on 01.05.2018 and accompanied state leaders to Travancore Medical College and Azeezia Medical College. Kollamcon activities are in track under the leadership of Dr. Alfred V. Samuel and Dr. D. Sreekumar. Looking forward to all your corporation and support for all the IMA Branch activities.

Jai Hind, Jai IMA
